## Mission Trip 2004: Wapato, Washington The Campbell Farm June 19 – 27, 2004

### “Caring for God’s World – From the Ground Up”

The Campbell Farm is a Mission Station, small conference/retreat center and a 40 acre working farm on the Yakama Reservation sponsored by Central Washington Presbytery. A group of our youth and parents met and searched for sites that would provide the ministry opportunities they were seeking. After careful consideration of several sites, the Campbell Farm in Wapato, Washington was chosen.

The Campbell Farm has several missions:

- To build bridges of understanding between multiple cultures, as well as providing hands-on experience and training in mission.** The Yakama reservation is comprised of one third Native American, a third Hispanic and a third Caucasian, Asian and others. Each culture has its own history, struggles and gifts that add to the wonder of this place. Our youth will be involved in providing a Vacation Bible School program, assisting in the Campbell Farm’s teen mid-week outreach BBQ, facilitating park district-like programs and light construction/painting to residents of the reservation.

- To provide space for individual and group spiritual reflection.** Through a combination of program already provided, as well as our own youth developed and led evening devotions, this trip will allow for the deepening of faith for all.

This is the first in a series of articles that will appear in the Carillon to help inform you of the upcoming mission trip. A parent/youth informational meeting is being scheduled that will outline further trip details, as well as explain the point system and the fund-raising schedule. Watch your mail for more details.

**Yakama Nation Facts: The Nation is made up of fourteen bands/tribes who live on 1.4 million acres of land.**

Dear Friends in Christ,

As I write this column, Sherri and I are preparing for vacation. By the time you read this column, the Labor Day Weekend holiday will have passed and preparation for the program year for our congregation will nearly be completed. On September 7<sup>th</sup>, an exciting Christian Education program will start; adults in the Disciples Bible Study program will begin a journey of personal transformation; and The Extended Serving of Communion by elders and deacons to homebound members will be offered. We will begin our two worship service schedule and the choir will provide leadership during these services. The Adult Fellowship committee will sponsor an evening ice cream social. All in all, it is shaping up to be a great beginning to a

new program year in which we express our thankfulness to God for the graces we have been given.

As we begin his new program year, I would ask you to sift through your experiences in the church. I am sure that in your years of ministry you will find that you may have been involved in building campaigns, bigger and better Christian Education programs, budget developments and re-allocations, etc. I suspect you will find most valuable in all of these experiences will have been those moments when your life was privileged to touch the life of a fellow Christian. These persons have been neither vile sinners nor plaster saints. You will have learned much from them. In their living they will have taught you how to live and in their dying they will have taught you how to die. Their loyalty and support of their church family will have made the demands of ministry easier and more important. With St. Paul, you will recognize that "we are many members, but one body." And so, you will be able to give thanks not only for the possessions you have gained in life but also for those people with whom you have been tied with the cords of Christian love. Success in ministry is impossible without those with whom we may share our good fortune.

*Blest be the tie that binds Our hearts in Christian love:  
The fellowship of kindred minds Is like that above.  
We share our mutual woes, Our mutual burdens bear,  
And often for each other flows The sympathizing tear.*

In the 16<sup>th</sup> chapter of Romans, St. Paul recalls his fellow laborers. He is keenly aware of that tie that binds our hearts in Christian love. His memory is kindled and the warmth of Christian companionship begins to bear its own flame. He lists 24 names, humble people who never wrote a book, won a battle, or led a major business. In the years of the world, they have become part of the dust of antiquity, but St. Paul has made their memories immortal. On September 7<sup>th</sup>, we have another opportunity to build new memories of our Christian love and share our good fortune in ministry. I can't wait for these experiences to take place this year at our church. If you are as excited about getting on with ministry as I am, we will surely share success in ministry in the year ahead of us. Make a special effort to be in worship September 7<sup>th</sup>, so that we can kick the year off well. I look forward to seeing each of you in worship.

Pax,  
**Curt Baxter**

## Church Administration

### Session

Notes from the meeting on July 28

**A Session Training Seminar**, led by Dr. Reynolds, will be held on September 13 from 9:00 a.m. to 2:00 p.m. in Fellowship Hall.

**Expenses** remain behind budget and pledging is somewhat ahead of plan.

**Pledges** that are received via Visa/MC cost the church \$3.22 per \$100 pledged.

**Building:** Gutters and downspouts are being repaired or replaced. The water in the south corner has also been rerouted to help stop the puddles in the front of the church in the upper parking lot. Planned are the painting of the north quadrant of the building and the purchasing of the Minolta copy machine.

**Bequest:** Trustees discussed used of funds from Maud Baird's estate.

**Christian Ed:** A revised Sunday CE program was presented.. It includes: a nursery program at 8:45 to noon; a program for 3-4 year olds at 9:00 – 10:20; a program for kindergarteners at 9:20 – 10:20; a program for 1<sup>st</sup> – 4<sup>th</sup> grade at 9:20 – 10:20 using a purchased rotational curriculum.; a traditional classroom setting for 5<sup>th</sup> – 6<sup>th</sup> graders using I Know My Bible at 9:20 – 10:20. No CE program will be provided at the 11:00 service.

**Deacons:** Members will be divided into four parishes based on the alphabet instead of location. One focus is elder care and attention, visiting those unable to attend church on a regular basis.

**Music/Worship:** Dan Spike gave an overview of Extended Communion Service in which Communion is extended beyond the confines of the church and given to those unable to attend church. The intent is to begin offering extended communion to congregants for the first time on September 7, 2003. Training will be held sometime in August. Possibly all future elders should participate in this training and this service would be part of their responsibility as elders.

**Future Meetings:** Session will meet August 25, September 22 and October 20. There will be a Congregational meeting on October 26.

### Trustees

The meeting scheduled for August 11 was cancelled due to a lack of a quorum. Trustees will meet on September 8 and October 13.

### Outreach Is Everybody's Business

When newcomers visit a church, they weigh numerous factors in their decision to join. An important issue is the worship service and quality of the preaching. For families, the quality of the Christian Education program is key. But for most visitors, the warmth of the welcome they receive is extremely important.

In our church, visitors are asked to sign the pad that is passed during the worship service and wear a dove sticker. However, not all visitors comply. It is extremely important that members be aware of new faces in the congregation and welcome them. Some members are afraid that they will insult other members if they mistake them for visitors. A simple "I don't believe we have met" and an introduction does not make assumptions about a person's membership status, it might even help our members to get to know one another better! If you identify a visitor, please make sure that they meet Dr. Baxter or Rev. Spike. And, if you are going to coffee hour or Adult Ed., consider inviting them to join you.

New members are essential to the health of our church. Please do your part to make them feel at home.

### Becoming a Church Member

We invite you to become a member of our congregation. New member orientation will begin with a breakfast on November 8. People who have not made a decision about joining, but would like to know more about the church, are invited to come to services, participate in activities and discuss membership with **Rev. Dan Spike**. He can be reached at the Church Office at **847-381-0975**.

## Stewardship

### Crossroads

Our church is at a crossroads. We completed a challenging Visioning Process which revealed our hopes for the future. Collectively we said we wanted the Presbyterian Church of Barrington to be:

- A church which provides meaningful worship experiences and guidance as we individually seek to grow in Christian faith
- A church with a vibrant youth ministry for the benefit of our children
- A church which is visible in the community, active in mission work at home and abroad

As you all know, we are moving ahead with the Stephen Ministry, the Discipleship program, expanded youth programs, new Christian Education curriculum, worship and mission initiatives. Budgetary constraints, however, are a roadblock to future success. The results of this year's pledge campaign will determine which fork in the road we take.

We ask you to prayerfully consider what God wants us to do. Our gifts of personal time and talents and our financial support of the Presbyterian Church of Barrington will determine the nature of our congregation. Are we going to remain a small, resource-starved church on the hill, focused inwardly and offering only basic services, or are we going to meet our Christian responsibilities with the energy and excellence that our Visioning Process forecast?

Each of us is an important part of this decision. What does God require of us? What personal effort can we contribute? Are we bringing our talents and our fair share of financial support to the church? Are we proactive or do we sit back and wait to be asked?

Ask yourself if you are currently giving at least your fair share of \$3,000 per family of four, or \$1,800 per couple. Then consider increasing your pledge for fiscal 2004 by 10%, which is what our budget requires if the church is to move toward its vision. If you are unable to give at the suggested level, please decide how much you can increase your pledge.

Also think about your service to the church and its beneficiaries. Volunteers are needed to serve on church boards, in Christian education, on building upkeep, and in Parish activities such as Shepherds for new members and Prayer Partners. Our mission activities also are carried out primarily by volunteers.

The Bible says, "For everyone to whom much is given, from him much will be required, and to whom much has been committed, of him they will ask the more." Luke 12:48

**The future vision for the church is our responsibility now.**

Stewardship Committee: Bob Kosobud, Betsy Davis, Bud Kilham, Curtis Baxter, David Zimmer, George Landes, Greg Dowell, Jack Raaths, Kris Howard, Kurt Anderson, Michael Goodman, Stephanie Skopek.

### Ice Cream Social

The fun will start at 6:30 p.m. in Fellowship Hall.

### Home of the Sparrow Kitchen Kits

On Thursday, October 2<sup>nd</sup>, at 10:45 a.m. BPW will gather to assemble "kitchen kits" for the women at Home of the Sparrow who have successfully completed the rigorous program whose cornerstone is education, job training and employment. The goal is to transition homeless women and their children into permanent housing and provide them with an opportunity to improve their life-style and well-being. For nearly the last five consecutive years less than 1% of the clients who completed the HOS program have returned to homelessness.

The mission of HOS is "to eliminate hunger, homelessness and joblessness by guiding individuals and communities through a continuum of comprehensive, compassionate programming designed to enhance self-respect, independence and self-reliance."

Home of the Sparrow has assisted over 2,000 women and children since its creation in December of 1986, and has assisted countless others, including intact families and men, in seeking ways to overcome their homeless dilemma. Home of the Sparrow continues to be a model transitional shelter project throughout the state of Illinois with facilities in Palatine, Crystal Lake, McHenry, and Woodstock.

The following items are suggestions for the Kitchen Starter Kits: hot pads, measuring cups, sponges, dish towels, rubber spatulas, egg beaters, cooking utensils, measuring spoons, assorted knives, potato peeler, tongs, wooden spoons, can opener, colander, bottle opener, potato masher. If you have any questions, call **Michele Gillett**.

## Parish Life

### Wine Tasting

Don't miss the Annual Wine Tasting Social to be held on Saturday, September 20, 2003 at 7:00 p.m. at the home of Bill and Margaret Graff in downtown Barrington. Enjoy a sampling of wine and hors d'oeuvres prepared by our own Rebecca Carlberg. Sign up in Fellowship Hall. Contact **Suzanne Miller** or **Allison Mehlhorn**.

### Annual Skills and Interest Survey

All church members should have received this survey from the Nominating and Leadership Development Committee in the mail. Please complete it and return to the church by September 28, 2003. The Nominating and Leadership Development Committee will complete the data entry by the end of October. If you need a survey or have any inquiries please call **Chris Schiller**.

### Choir

Calling All Present And Future Choir Members! The choir will be "making a joyful noise" on Sunday, September 7 at both the 9:00 a.m. and 11:00 a.m. worship services. Choir rehearsals are

Thursdays from 7:00 - 9:00 p.m., beginning September 4, the Thursday after Labor Day. There will be a rehearsal at 8:00 a.m. on Sunday, September 7 also. You are invited to be a part of this important part of our worship. Even if you haven't sung in the choir before, come out and give it a try.

### Music Search Committee

We want to thank all who participated in our music survey and focus groups. There were 38 members who either sent back a form or came to the discussion meetings. We are now considering all of the valuable information that was shared. The one underlining theme that was expressed is the importance of music in worship. Glorious music of all types lifts our hearts to God and adds to our spirituality.

According to your comments you currently are enjoying the variety of music, especially as it relates to our worship service. The times when other members, in addition to the choir, have shared their talents with

us have been extremely meaningful to you. The singing of old familiar traditional hymns along with new ones adds to your worship. Most everyone would like to see our music program expanded to include permanent children and youth choirs and the use of more small vocal and instrumental groups.

Concerns were also expressed about the appropriateness of some music, the need for help learning new hymns and a wish for the music at the beginning of the service to be more conducive to meditation and preparation for worship. The worship committee and ministerial staff will give a great deal of consideration to these concerns as well as others.

We are now ready to move forward with our search and interview process and hope to have a permanent music director and organist in place in the not to distant future.

## Deacons

### Deacons Reorganize into a Parish Ministry Program

Over the past several months, and with much prayer and discussion with the Ministry Team, the Deacons elected to transition into a Parish Ministry Program. This program will be phased in over a period of several months.

One of the goals the Deacons have this year is to partner with the Ministry Team (our two pastors and the Director of Christian Education) to provide a service ministry, growing in our roles and enhancing our skills as empowered Deacons. The Parish Ministry Program is a bridge for us to reach this goal. Through this program, the congregation is divided into four alphabetical groups with Deacons assigned to each parish group.

The Deacons are responsible to:

- \*Visit church families in the Parish,
- \*Maintain accurate records of Parish members,
- \*Deliver flowers and send cards to the senior congregants and home-bound members,
- \*Honor new babies and member parents,
- \*Deliver Food-Served-With-Love as needed,
- \*Visit home-bound members not able to attend worship services,
- \*Participate in the Home Communion Program,
- \*Actively participate with the Membership and

Outreach Committee's endeavors to recognize and welcome visitors to our church.

The Parishes are currently identified as follows:

Parish #1: Members A-E: Mark Layne – Leader, Nancy Bohren, Tom Burke, Sally Hilgendorf.

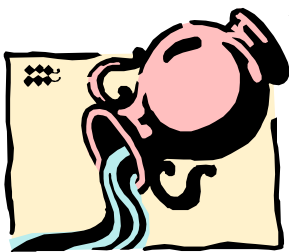

Parish #2: Members F-L: Ruth Shepard – Leader, Ginger Glantz, Ralph Menick, Lou McCloud.

Parish #3: Members M-R: Michael Goodman – Leader, Margarete Rice, Chrisann Andersen, Neal Marshall.

Parish #4: Members S-Z: Gus Leep – Leader, Lukass Franklin, Laura Semmen, Claudeen Bradley.

You can see that this is just the beginning of exciting opportunities for Deacons. As the ministry grows, so will opportunities for Deacons to reach out to provide their ministry. As the Vision Quest determined, congregation members enjoy activities in small cluster groups. Parish activities are one way to respond to that stated need. This ministry will grow under the guidance and enthusiasm of the Board of Deacons in the years to come.

### Deacon's Corner

Hello, my name is Mark Layne. I was elected as a Deacon for the class of 2005. I have met some of you through various church functions (Deacon activities, Men's Club, men's softball team, 4th of July parade, church dinners,

Sunday school, Habitat for Humanity) For those of you whom I have not yet had the opportunity to meet, I would like to start by giving you an idea of who I am.

I was born in Warner Robins, Georgia; raised as we went around the world from the USA to Europe to Southeast Asia and back to the USA. When my family settled in central Florida in 1969, we called it home. My lovely bride Cathy and I just celebrated our 16th wedding anniversary. We have two wonderful girls, Heather and Stacy. Heather is 8 years old and Stacy is 6 years old. We adopted a beautiful black Labrador dog this past year. Her name is Bonny and she is still a puppy at 18 months. I have been working at Sears,

Roebuck and Co. for almost 22 years. The opportunities at Sears were the reason we moved from Florida to Illinois in 1997. Even though I enjoy a variety of indoor and outdoor activities (riding my motorcycle, snow boarding, swimming, scuba diving, flying, softball, bowling) My favorite activity remains, doing anything with the family.

Since joining the Presbyterian Church of Barrington, I have been reflecting on the many opportunities and activities available in our church. Then, when I was asked about becoming a Deacon, I thought of how I could help others and how others had helped me. At times, I've wondered if my time devoted to church activities is properly balanced with the other activities in our busy lives. Even though sometimes I second guess whether I should participate in a particular upcoming church activity, I have always found a single truth afterwards: it was the right thing to do and I always come away feeling better.

In my mind, I have been comparing our church to a flower garden. I believe you can never enjoy the flowers if you never plant the seeds. Even when you plant the seeds you have to nurture them with sunshine, water, and nutrients and protect them from harm. With all the activities so many of you participate in, I am seeing a beautiful crop of flowers and more plants ready to bloom this year. I look forward to seeing our church garden bloom and grow with God's work being done through each of us, one seed at a time. Please feel comfortable in contacting me or any of the other Deacons with needs you have identified for yourself or for others. If I am not able to help, I will work to find someone who can.

### Congratulations to:...

**Dan and Sandie Paxton** on the birth of their first grandchild, Aidan Jacob Morris, born on July 28 to daughter Melissa and her husband Kirk Morris; and **Helen and Michael Goodman** and family on the birth of Cooper Charles John Goodman, on August 4, 2003; and **Howard and Marilyn Witt** on the birth of grandson, Carson Ryan Witt on August 14 to Ryan and Lauren Witt in Colorado.

## Communications

### Webmasters Needed

The Communications Committee is seeking two or three members of the congregation who can provide their time and talents to be webmasters for the new church website! The new website will also have a Youth link that will support youth-related activities, events, ministries and missions. We are looking for people who have experience in web design, graphics, programming graphical user interfaces, managing email accounts, and back-end support of the technical environment. We expect the time commitment to maintain the websites will require 2-3 hours/week per webmaster. If you are interested in supporting this worthwhile effort to help promote our church's internet presence, please contact **Jack Swenson**, Elder, Communications Committee.

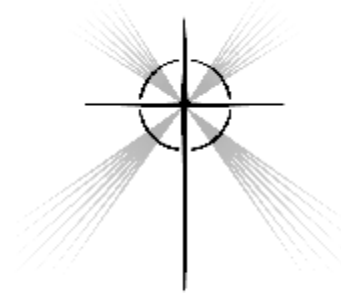

### Microsoft Word Template Experts Needed

If you are technically inclined and have knowledge of some of the advanced template features of Microsoft Word (versions 97 through 2002) we need your help! The church currently uses approximately 20-25 different templates to create various documents including the Sunday bulletin, Carillon, and others on a regular basis. The Communications Committee also needs assistance in creating new Microsoft Word templates that will support our committee's goal to standardize all church-related electronic and printed materials. If you are interested in providing 2-4 hours/week for this effort, please contact **Jack Swenson**, Elder, Communications Committee.

### Church Leadership Pictures

The Communications Committee will be taking digital pictures of our church staff and leadership for the new church website under development. The website will include pictures of members of Session, Trustees, Deacons, Stephen Ministers, and staff personnel. The Communications Committee plans to take pictures at the next regular monthly (September) meeting for the Session, Deacons, Trustees, and Stephen Ministers. Leaders are asked to contact **Jack Swenson**, Elder for the Communications Committee to schedule a convenient time.

### New Church Logo Unveiled

The Presbyterian Church  
of Barrington

Recently the Session approved the introduction of a graphic identity program for all church communication that includes the use of a new church logo. You'll soon see redesigned versions of the Sunday Bulletin, Carillon, web site, and other church communication.

The Communications Committee of the Session reviewed all the Church's current communication with the intent of designing materials to make them more consistent in appearance and easier to read. The logo was created so that we have a simple, visual religious symbol to begin using in our congregational and outreach communications.

The program being introduced also will include templates making it easy for committees and others to create materials using the standards and logo.

The logo itself is a Celtic cross with radiant beams of light shining forth representing our Presbyterian heritage (and the focal point of the sanctuary) and the vision of our Church to "worship, support, serve, and share." Here you see the black and white version. A color version exists as well and will be displayed on a poster in the Church.

What about the illustrative depiction of the Church that has been used on the bulletin and other materials? We intend to continue using the illustration where appropriate, however its size and detail make it difficult to use as a "logo". We intend to find ways to weave the best of what we have with the new materials being developed.

We will provide opportunities to share feedback on the new look as it is rolled out over the coming weeks. If you have any questions in the meantime, please feel free to reach out to any member of Session.
